

TONOPAH DANCING CLUB'S BIG EVENT

WILL GIVE A WASHINGTON'S BIRTHDAY DANCE SATURDAY NIGHT.

The Tonopah Dancing Club will give one of its popular dances on Saturday night, and this will be an especial occasion—a Washington's Birthday dance. Great preparations are being made for the event, and there is no doubt that there will be a large attendance. The devotees of Terpsichore will dance to the best of music, and a specially selected program. Needless to say that the affair will be a most enjoyable one, for the dances of the Tonopah Dancing Club are too well known to need any comment in that particular.

LARGE CROWD AT COTILLION.

The Cotillion Club held its fortnightly dance in Miners' hall last night, and there was the usual large crowd. There was a very pleasant time, made the more enjoyable, perhaps, by the fact that there had been a diversion in the length of time between the dances. The dances were formerly held each week, and this was the first of the fortnightly series.

WILL MAKE TEST CASE OF JAPANESE

(By Associated Press.)

VICTORIA, B. C., Feb. 19.—Upon the arrival of the steamer Tosa Maru this afternoon with 150 Japanese, of whom 31 were for Victoria, one man who was unable to pass the educational test provided by the new British educational act was selected to undergo arrest by the provincial immigration officers at the instance of Colonel Gregory, solicitor for the Ottawa government. The Japanese unable to pass the test was taken in charge when he left the steamer after being passed with the others by the Federal immigration officer and Colonel Gregory will begin habeas corpus proceedings to test the constitutionality of the British Columbia act.

COIN POURS INTO BANK.

PORTLAND, Ore., Feb. 19.—The Merchants' National Bank of this city reopened for business today after remaining eleven weeks in the hands of a bank examiner. The bank opened with over \$1,000,000 in actual cash on hand, more than \$350,000 in excess of claims against the institution. Money poured into the bank all day, deposits ranging from a few dollars up to amounts in excess of \$10,000.

BURROWS CONCERT TOMORROW NIGHT

WILL BE ONE OF THE GREATEST MUSICAL TREATS EVER GIVEN.

The Burrows concert, to be given at the Pavilion tomorrow night under the auspices of the Elks and Eagles, is occupying the attention of music lovers of the city, and is going to be one of the swiftest functions ever held in the city. The program has been completed and there are numbers which strongly appeal to those who enjoy good music, vocal and instrumental. Tonopah is particularly fond of good music, and there is no doubt of a crowded house.

RAWHIDE GROUP SELLS FOR \$40,000

That there is no stringency in the money market when properties at Rawhide are at stake, was demonstrated in this city today when a number of Reno capitalists at the Andy Hampel Brokerage Company, on the corner of Second and Center streets, closed a deal for the purchase of Nathaniel Prosky's option on the Nicholson group at Rawhide for \$40,000. A portion of this sum is in cash and the other part in stock of the Rawhide Nevada Mining Company, which has been formed by the Reno capitalists to handle this property, consisting of fourteen claims.

The group was originally located by M. W. Nicholson, who entered Rawhide more than a year ago, when there were five people in the camp. He is now postmaster of Rawhide and states that there are nearly 5000 people there engaged in mining and in business. The Nicholson group, which was today purchased by Reno capitalists, is within a claim's length of Happy Hooligan hill, and is near the famous Kearns lease on which wonderful high grade ore was encountered at a depth of 100 feet.

The organizers of the Rawhide Nevada Mining Company are S. W. Wheeler, A. C. Fletcher, Henry Anderson, J. B. O'Sullivan, Nathaniel Prosky and M. W. Nicholson.

This company will begin developing its property immediately and expects to soon have one of the bonanzas of the great mining camp.—Reno Gazette.

WILL SUE BANK STOCKHOLDERS

SAN FRANCISCO, Feb. 19.—The hope of rehabilitating the California Safe Deposit and Trust Company's bank, and of organizing a holding company in which the stockholders would joint with depositors, was virtually abandoned at a meeting of the directors of the Depositors' Association last night at Raphael's office, Fillmore and Geary streets. At the same time the announcement was made by Attorney Samuel Rosenheim that the attorneys acting in conjunction with former Justice Harrison of counsel are ready to begin legal proceedings against the stockholders, and these suits will be accompanied with attachments.

POLICE DISPERSE SOCIALISTS.

SOLINGEN, Rhenish Prussia, Feb. 19.—The Socialists of this city assembled around the city hall yesterday and cheered for universal suffrage. The police made a charge on the crowds, scattering them, and arrested many of the disturbers.

DR. MILLER IS RAWHIDE BOOSTER

ANY NUMBER OF LEASERS TURNING OUT HIGH GRADE ORE.

Dr. M. A. Miller, manager of the auto line from Schurz into Rawhide, is in from the camp, and is another of the enthusiasts over the conditions.

"It makes me sick every time I go into the camp," said Dr. Miller, "to think of the chances that I have overlooked already. When I went in there first a little over eight weeks ago, I was importuned to take inside lots for \$25 each, and lots on Main street for \$250. I had the money, but did not take the chance. It would have made a difference to me of \$15,000 or \$20,000. There is still a great boom on in real estate, prices being out of sight. Tex Rickard bought a lot on Main street and paid \$8000 cash for it; a lot that was originally bought for \$20.

"The camp is developing rapidly, and there are any number of the leases turning out high grade ore. The placer strike is certainly a phenomenal one. It is so rich that it is hard to estimate the value of the dirt per cubic yard.

"The strike on the Royal Coachman is a whale and I think that the Royal Tiger is one of the best properties in the district. They are getting the stuff there and it is looking better every day. The property in that vicinity is in great demand."

This is good news for Tonopah. The Royal Tiger was one of the first properties promoted. Bert Gillespie brought the control of the mine here and it was taken up by himself, Clarence Kind, E. Marks and other Tonopah parties. The Royal Coachman, on which the newest strike has been made is controlled by Joe Sutcliffe and E. C. Simpson of Tonopah, and others. The Nevada King group, which endlines the Royal Coachman, and sidelines the Royal, was recently purchased by W. W. Booth, Oscar Jameson and other Tonopah parties.

"There are at least 4500 people in Rawhide," continued Dr. Miller, "and they are going in there at the rate of over 100 a day. This is no exaggeration at all. There are three main roads going in from the railroad. One is by way of Mina, another by way of Fallon, and the most logical way in is through Schurz, from where there is the largest travel at present. The road in from there is the most thoroughly equipped and the cars are all first-class. The time from Schurz into Rawhide is one hour and forty minutes.

"The telegraph line from Schurz to Rawhide will be in and in operation in four or five days. The line is being put in by a Goldfield company, and they have already announced a cut of one-half in the rate. The company has its office in the auto office. Freight is arriving at Schurz at the rate of six or seven carloads a day, and the capacity of the siding is fully taxed; in fact there is not room for another car. E. E. Burdick, the contractor, is putting up an iron warehouse at Schurz. We are getting from ten to fifteen reservations for seats every day, and these are coming from all over the country.

"Rawhide is certainly humming, and it looks to me as if it were the makings of the best camp that we have ever seen in the State."

SANITATION FOR RAWHIDE CAMP

GOLDFIELD, Feb. 19.—Sheriff Ingalls and County Commissioner Spenker leave tomorrow morning for Rawhide, to make sanitary arrangements for the new camp. The county officials contemplate installing a temporary jail structure, to be ready within sixty days, as there is said to be a crying need for such an establishment.

DEATH OF MARY JEFFERSON.

Mary Jefferson, a colored woman, aged 46 years, died last night from an abscess of the liver. The unfortunate woman will perhaps be buried as a public charge. She was well known to many families in Tonopah, having been employed as a domestic.

GAVE HIS COIN TO SMOOTH SWINDLER

NEW YORK, Feb. 19.—J. V. Badescu of San Francisco, who had a printing establishment on Fourth street near Market, today caused the arrest here of a fashionably dressed man giving the name of William E. Kent, on a charge of grand larceny. Badescu alleges that Kent had fled him out of thousands.

Last year Badescu, while on his way to see his parents in Roumania, met Kent, who professed to be a stockbroker and promoter with large financial interests here and abroad. Kent's beautiful wife was with him. Badescu accompanied the Kents to London, Paris and other cities and had such a pleasant time that the visit to his old Roumanian home became merely incidental.

Kent borrowed over \$1100 from Badescu in Europe. On returning here Kent got \$4870 more from San Francisco, saying the amount was needed instantly to clinch a stock deal. Subsequently Badescu could not find Kent until today. The police identify Kent as Kennedy, a slick "con game" artist.

The coming of the road was the cause of a great celebration this afternoon and tonight. The railroad is eighteen miles long and connects with the Southern Pacific at Pitt. The smelter at Delamar, which has been closed for two years, was recently remodeled and enlarged at a cost of \$100,000. Operations begin March 1st, giving employment to 300 men.
